Dear students,

I hope you are fine and had nice holidays. Here comes the new workplan for next week.

1. Please write a little text about jobs you do at home, and jobs you don't do at home. Use the time adverbs (always, often, usually, sometimes, seldom, rarely, never).

Write at least five sentences.

Example:

I always take out the trash.

I don't empty the dishwasher.

I sometimes Hoover the floor.

2. Read the two chats in your TB on p 66. Then do 16 c. Write the answers down.

**3. Read no 17 in your TB on page 190. Copy the chart into your exercise book „grammar“.
(Tabelle bitte abschreiben)**

4. Do exercise 17 in your TB on page 67. Write down the six sentences.
